

Dashboard polish (cockpit) 400 ml (A450)

Cleaning the dashboard of your car is often a difficult task: dust comes back in short time, and the polish will not stay visible. Ambro-Sol has the solution for this problem, thanks to the Dashboard polish spray, that removes the dust and leaves a long visible shine.

DASHBOARD POLISH (COCKPIT) – Silicone oil-based product with excellent polishing, water-repellent and anti-adhesive properties. It is suitable to use on dashboards, plastic, and other non-absorbing surfaces. It restores surfaces to a shiny glittering finish. The formula is designed to polish and brighten up plastic, imitation leather, and various types of dashboards. Ideal for protecting, it leaves a transparent coat that prevents the build up of dust. It also leaves a pleasant fragrance.
