

Dashboard no siliconic polisher 600 ml (A468)

This spray is perfect for polishing dashboards and other various plastic parts. It leaves a pleasant fragrance and it prevents the formation of dust. Thanks to the absence of silicone, it can be used on the car body.

DASHBOARD NO SILICONIC POLISHER (COCKPIT) – This product is specifically designed to polish and brighten different kinds of dashboards and plastic parts. It slows the deposition of the powder and leaves a pleasant scent. The absence of silicone allows it to be used inside the car.
