

Gold Zinc Tropical Effect 400 ml (Z360) (for Brass)

Do you have any brass or gold effect surfaces that are defenseless to corrosion? This Ambro-Sol spray is perfect, because it gives resistance against abrasions and atmospheric agents.

GOLD ZINC TROPICAL EFFECT – protection with a greenish gold finish. It is used to restore tropicalized surfaces subjected to cutting or welding procedures. It has excellent rust-proofing capacities and it gives general abrasion resistance to the part that is processed. Highly resistant to corrosion due to weathering, salt air, humidity.

Technical Specifications:

Quantity	400 ml
Box / Case	12 pcs
Barcode	EAN 13 8034108891699
Aspect	Tin-Plate can containing under pressure fluid
Physical state	Pigmentated liquid in aerosol
Temperature resistance	about 300 °C
Color	greenish gold
Odour	Characteristic of solvent
Relative density	at 20°C 0,70 ÷ 0,74 g/ml
propellant	LPG
Flash point	Und.0° C extremely flammable
Chemical nature	Synthetic resin with aluminum pigment
Yield per can	2/3 mq2
% Metal in dry film	38 %
Drying times	Out dust 10 minutes
	Dry to touch: 20 minutes
	Dry in depth: 12 hours
Pressure at 20°C	5,5 bar

APPLICATION FIELDS: for brass, Surfaces in metal as iron, aluminum, steel. Protection of ferrous metallic structures, pipelines, eaves, enclosures.

HOW TO USE: Carefully clean the surface to be treated, eliminating encrustations and traces of rust with synthetic thinner. If necessary, sand with abrasive paper. Turn the can upside-down and shake well until the marbles move freely inside. To avoid dripping apply twice from a distance of about 20-30 cm. Once finished, spray for 2-3 seconds with the can upside-down to clean the valve and allow for future use.

MODALITY OF STORAGE

Before using: stock the product in a dry location and don't stock it with a temperature under 5°C and over 45°C, after the use, keep containers closed. In the original package, the product can be conserved for 24 months (warranty). The product doesn't expire.

After the first usage: conserve in a fresh and dry location, away from hot spring. Keep out of reach of children.
